## Meet The Band

**“Loony” Layla**  
**Lead Vocals**  
Layla has been singing in bands since before she was born! Previous bands have included Out Of The Blue.

**Steve “The Sax”**  
**Tenor Sax, Vocals**  
The musical director of the band has previously played in Souled Out, Fat Bloke, Big Red and Jack’s House. He enjoys collecting saxophones—5 at the last count!

**“Wildman” Martin**  
**Keyboards**  
Martin has been playing keyboards since before they invented the white keys.

**Ady “The Sticks”**  
**Drums**  
Ady doesn’t stop talking about drums, which is fine except none of us can understand him!

**“Gary” Gary**  
**Guitar**  
Gary is a perfectionist when it comes to the art of guitar playing. No chord too complex, no solo goes unpolished.

**Julian “Bassman”**  
**Bass Guitar**  
Julian has previously played with Fat Bloke, Big Red, Rufus Stone and Jack’s House. He recently bought a 5-string bass but doesn’t yet know what to do with the extra string!

## Disco

DJ Steve is pleased to be able to offer a full disco option, or basic background music to support the entertainment before and after JaxStax sets. He provides all his own equipment and is happy to play whatever style of disco/background music you would like for your event (although 70's/80's disco/funk is our favourite!!). He is also available for hire separately at very reasonable rates.
